

ELWOOD STAFFING PRAISES THE CONTRIBUTIONS OF ITS TEMPORARY ASSOCIATES

Columbus, IN, September 16, 2013--Elwood Staffing joins staffing companies across the country in recognizing the contributions of its temporary employees during National Staffing Employee Week, Sept 16-21. Established by the American Staffing Association, the week is set aside to pay tribute to the millions of Americans who are employed by staffing firms every business day.

"We may be biased, but we genuinely believe that our temporary employees are the best talent in the marketplace," says Elwood Staffing CEO, Mark Elwood. "The success we have achieved would not have been possible without their efforts, and we are proud to have each and every one of these individuals on the Elwood team. They truly embody our stance as 'the better people, people®.'"

Throughout the celebratory week and into the next, Elwood will be honoring select temporary employees who have distinguished themselves through their hard work, loyalty and exemplary attitudes. These associates will receive an award certificate and gift, and be featured on the company's Facebook page.
