

Elwood acquires assets

STAFF REPORTS

Elwood Staffing Services Inc. has purchased the assets of a Fort Wayne-based staffing company.

Time Services Inc. has 14 offices in Michigan, Ohio and Indiana. Elwood has 40 offices in eight states.

Elwood Staffing said in a press release that the acquisition

will allow the company to “better serve businesses and their labor needs, and ... help well-qualified people find excellent jobs.

“This acquisition makes excellent business sense because both companies have shared a commitment to providing superior customer service (to both temporary associates and client companies) and a strong

belief that continuous improvement is necessary to grow and prosper,” said Chief Executive Officer Mark Elwood.

Elwood Staffing annually places more than 40,000 employees in industries including light manufacturing, logistics and engineering.
