

Elwood growing

Elwood Staff has been recognized as one of America's fastest growing private staffing firms for the fourth consecutive year by Staffing Industry Analysts.

Companies were ranked on their growth between 2003 and 2007 when Elwood had an annual growth rate of 35 percent and posted \$159 million in revenue.

Elwood Staffing, which has 37 branches in five states, was the only company based in Indiana to be recognized.
